5:30 pm

We welcomed our new General Manager Chris Horne to our meeting. Chris shared positive feedback from his and other's first impressions at MTC. He heard from USTA District Staff how pleased they were with the District Event held at MTC last weekend. Many players wish to return to MTC for district playoffs. Players and Chris noted high energy, family friendly atmosphere and large number of member volunteers. Chris inquired about MC Goals and noted they are posted on our webpage. Chris's goal is to reach membership capacity of 325.
