

The MC unanimously supported Chris Horne on the following proposals:

1. Membership Cap @ 315 for Family and Single Membership Categories.

A Wait list would begin after reaching this goal.

2. Chris will present a **voucher system** for free guest days to be implemented when the new software system is in place approximately November 1st. The concept is that each membership would receive maybe two free monthly guest fees which would expire at the end of each month. Memberships of 4.5 and 3.0 players would receive maybe four such vouchers.

3. The **Sponsorship Reward Program** prior to Aug 1st this summer will be grandfathered into the current program.

4. Pro Participation in Women's Clinics and Sunday Morning Drop Ins. New Member involvement and the further development of members play need to be further supported by the Pro Program.

Mark Plascon attended the meeting to discuss the Guest Policy and Voucher Program.

Next Meeting: Our next meeting is the second Wednesday, October 11th @ 5:30 pm.

Attending: Katharine Fisher, Shari Havasi, Larry LeVine, Jeff Birkenseer, Chris Horne and Linda Gordon.
