Holiday Party December 9, 2017

The tent to cover all exterior opened areas came to approximately \$1,000 and has been reserved by Davide Hayden

Davide from Il Davide did complete the inventory of the kitchen and we will have to rent flatware, silverware and glassware.

Janet continues to work closely with Davide to keep costs contained within \$65 range.

We will need to purchase lights for decoration which the club can absorb costs for future usage.

Our next scheduled EC meeting is November 7 at 6 PM. (Tuesday)
