Absent: Rob Lang, Jody Berces, Barbara Schmitt, Liz Tabussi
Please make a point of letting me know whether you will be at our meetings in advance.

Discussion and planning for Game Night occurred. We will hold this event on Friday night, March 23 rather than Saturday March 24.

There will be 4 game stations with assigned Game Leaders

- 1) Black Jack Mike Andreson & Rob Lang
- 2) Gestures Charades of Speed (Jody & Barbara with assistance of Kristen who's pro at this game.
- 3) Pictionary led by Diane Connor and Janet
- 4) Taboo led by Liz Tabussi and Gary Bender

Emily Birkenseer will be a floater relieving us.

The cost will be \$15 pp including guests. The cost will include food provided by the kitchen under new staffing. There will be a no host bar, and unfortunately, Jeff B. Eduardo and Janet will not be bartending this year. We need employee bar tenders.

Event starts at 5:30 with appetizers and no host bar.

6:15 will be introduction and explanation of game stations.

Games will begin at 6:30. We may have time limits to move folks about the stations. TBD.

We talked about remaining EC events which will include Cinco De Mayo without Mariachi Band and Food Truck.

Need to check with Jeff Kamys to see if we pursue the Ping Pong Tournament. Talk was possibility of substituting P ing P ong with Corn Hole which is easier set up and may invite more participants. More discussion to follow on this one.

We will repeat Chili Cook Off Texas Hold EM event since it was such a success last year.

We have set the date for the Holiday Party for December 8 this year and I have a commitment from David Hayden to cater the event. Why mess with something that worked so positive and seamlessly. We did mention we would improve seating and have a member DJ this year. Chris mentioned possibly having the new kitchen management cater the food. I am not in favor of this option and our Committee should have the final say on this one since it is our biggest event of the year, and everyone so loved it.

Our next scheduled meeting will be held on March 20 at 6 PM. Please confirm your attendance when I send out the reminder later in the month.

Meeting adjourned at 6:50 PM.
