All 3.5 and 4.0 teams need to obtain Tennis Committee approval of outside players by a majority vote. 4. USTA Daytime League

3.5 and 4.0 Women expressed interest in fielding teams in the 18+ Daytime League. League matches are on weekday mornings starting at 9:30. Discussion centered on whether the court usage would be strained at an unacceptable level. Chris Horne supported the league with the proviso the match start times would be staggered 2/1. Jamie Papadimos and Amy Taylor volunteered to captain the 4.0 team and Barbara Schmitt, the 3.5 team. Outcome was to allow the teams and review after the season to ascertain whether to field the teams in the future.
