MTC CLUB JUNIORS EXCEL TO EXCELLENCE BOTH OFF AND ON THE COURT!

It is important to recognize the accomplishments of our Juniors who are either members of MTC or train out of MTC.

Luke Neal was a junior member for many years and still trains under the coaching of Pablo Pires de Almeida at MTC. Luke is a junior at Redwood High School and won the Sectional Championships in Sacramento last month. He also received a verbal commitment from

Yale University to play tennis. He is both an athletic and academic scholar.

Our newest junior member at MTC comes to us from Rafael Racquet club. Brooke Pederson is a sophomore at Branson High School and at 15 years old, just won the MCAL girls singles overall! You may see her training on the ball machine or with Dave Allen. She is always looking for sparring partners but at 15 she is already a 5.0+ player!
