

MTC BOARD OF DIRECTORS 2021 CANDIDATES

Maureen Tierney

Maureen has been an active MTC member since 2007. She previously served as an MTC Board member for four years and is a past Board President. Maureen is active on several USTA and Marin League teams. She has served on the Entertainment and Social Tennis Committees and has extensive human resources experience. She has been on several nonprofit Boards over the years and is currently Vice President of Ross Valley Women's League, which raises funds for Adopt A Family of Marin. She hopes to continue to contribute her fund-raising, human resources, and nonprofit experience as an MTC Board member.

Jody Osterweil

I have been a member for 12+ years. I have been a player and Captain/Co-Captain on many USTA teams, both Men's and Mixed. I have been a member of the Tennis Committee for 3+ years and Chair for the past year. I have been an active participant in most of MTC's social

events over the years; been a Calcutta captain 3 times and winner of the 2019 "spirit" award. I have been the coordinator for sponsorships for the Memorial Grand Prix. I personally know a substantial majority of the membership, have good relationships with the GM, staff, and the teaching pros.

I have ideas and goals for strengthening MTC's long term viability and expanding our reach into the community. I had a professional career of over 30 years as an executive consultant to numerous Boards, with expertise and hands-on experience in management, finance, budgeting, data management, personnel, and HR processes, etc.

I am retired and have the time, inclination and skill sets to be an active and effective Director.

I am handsome, witty and above all modest!

Yong Kim

Yong has been an MTC member since 2011. After a 20 year hiatus from tennis since high school, he picked up his racquet again in 2007 for exercise and was pulled into the Marin tennis scene. The rest is history. He is currently a member of Tennis Committee (since 2019) and has captained or co-captained several USTA teams at MTC and other clubs.

Professionally, he has a background in electrical engineering and worked in the high tech industry for 29 years, most recently at Cisco as a Director of Strategy & Planning. He hopes to use his business development experience and analytical, data driven approach to help shape the direction of the Club for long term success. He also has a passion for helping players improve their game and developing court strategies. He lives in San Rafael is married to Judy (wife of 26 years) and has a furry kid, Louie, a French bulldog.

Jennifer Holmes

We have been family members for 10 years. This has given me the opportunity to serve on the Tennis Committee for 4 years. I have captained and co captained countless teams, including the day leagues, Twilight, USTA, and Calcutta. I love participating in the social events, as well as team play, so I have had the opportunity to meet a great amount of the membership of MTC.

I take weekly clinics at the club, and have had lessons from most of the pros. I use the pool and the gym and have hosted many MTC events at my home. Simply put, I am fully entrenched in this community.

The years I spent working as a behavioral therapist, the 20 years I have spent raising 3 daughters, and now working as a Realtor have given me many skills that will help me contribute to the BOD. MTC is like a second home to me, and I look forward to contributing to its continued success.

Thank you,

Jennifer Holmes
