June 29, 2023

Dear Chris,

Congratulations! I am pleased to inform you that Marin Tennis Club has been selected as a USTA Premier Pilot Site. As a USTA Premier Pilot Site, your facility has access to a multitude of benefits including, but not limited to, a funding grant in the amount of \$2,500.

The purpose of the grant is to provide your facility with funding that can be utilized to actively engage new and returning players into the sport of tennis in a safe and meaningful way. This could include events, facility enhancements, PTR professional certification, equipment, and other means which are driven to enhance your customers overall experience.

We anticipate that you will receive your grant award and facility signage within the next 2-3 weeks.

The USTA is excited that you will join in with us on this newly developing initiative and hope that you will remain committed to the standard of excellence you have displayed.

If you have any questions, please do not hesitate to reach out. We want this to be a simple and rewarding process for you.

Sincerely,

Glenn Arrington
Director, Sales and Partnerships
